[a-delis.in.ua](http://a-delis.in.ua)

LLC "Zabota" manufactures products under the TM "A-Delis". Nowadays there are than 70 types of bread and bakery products and more than 200 types of cakes and confectionery. Such as: Pastila, marmaladz, Turkish delight, chocolate desserts, chocolate paste, etc.

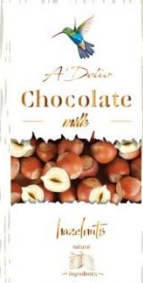

Production is made on the modern equipment of the leading manufacturers of the world.

The recipes of products are based solely on natural ingredients and are made according to classical technologies. Starting from 2018, the company A'Delis pays a lot of attention to chocolate products. Chocolate A'Delis is what each of us needs. Unique taste, unique tenderness and naturalness, all of you will feel all this by tasting the chocolate of this company.

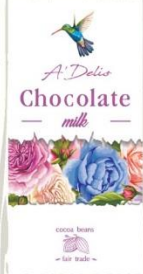

A distinctive feature of the company is that all products are made from natural raw materials.

We are for naturalness!
